Challenges

- Inadequate funding
- Delay of annual operational plan
- Delay in approval of budgets
- No refresher training for both state, LGA and Health Facility Staff since first training in 2020 from the State
- No counterpart funding
- Sharp practices of WDCs and OICs
- The program's reception among Health Workers (HWs) at the Local Government Area (LGA) level, particularly from the supervising Community Health Extension Workers (CHEWs), is unsatisfactory.
