7. Lessons Learned/ Best Practices

- **What solution/mitigation did you deploy during this period?**
- Facility staff were more receptive when PHC visits focused on supportive Mentorship.
- Brief explainations with friendly support worked best.
- Scheduling of visits was flexible so unforeseen distruption during festive season can be accomodated.
- Friendly repeated visits built trust betwee PFMOs and PHC staff

Practical lessons or approaches that can be scaled to other states.

- Adoption of Coaching and mentorship greatly improved acceptability of PFMOs to PHCs Adoption of checklist for consistency to reduced repeatation of questions.
- Visit plan should be simple and terrain-friendly.

6. Key Challenges

- Hard-to-reach PHCs as a result of transportation constraints.
- Unavailaility or incomplete PHC data/ documents during visits.
- Overlaping activities with multiple meetings and trainings during the reporting period
- Delays in getting data and multiple errors in entries from PHCs due to overlapping activities.
- Frequent absence of PHc staff/OICs from facilities dometime with scheduled visists
- unavailability signed business plan document in some PHCs across LGAs is a recurrent challenge.

8. Support Required from Innovius/NPHCDA

How to Submit
