National Primary Healthcare Development Agency

Reviewed iPIE methodology

Guide on implementing the field activity for the integrated PIE (iPIE)

- In each state ⟷ there are **20 or more** participants for the activity i.e (6 NPHCDA-HQ, 3 NPHCDA state, 5 SPHCDA and 4 LGA) plus Partners
- During the planning meeting on Monday, **select 3 LGAs** (High, medium & low performing) to be assessed using their penta 3 coverage of Jan-Dec 2024
- Total state team divided **into 3 equal sub-teams** to assess the 3 LGAs selected…(**ensure equal distribution of National, State and Partners personnel in each sub-team per LGA)**
- Assess 3 HFs in each LGA visited for the three days assigned for the field work (1 HF/day)

✓ Sub-Team 1 …. **LGA A** ⟷ visits and assesses 3 HFs in 3 days for the field work in the LGA

✓ Sub-Team 2 ……**LGA B** ⟷ visits and assesses 3 HFs in 3 days for the field work in the LGA

✓ Sub- Team 3…… .**LGA C** ⟷ visits and assesses 3 HFs in 3 days for the field work in the LGA

Team working in the metropolitan LGA (or closest to the state capital) should administer the state-level tool

Guide to Team Composition for Field Activities

- Team composition per state: ≤ 20 → **Divide into 3 teams to visit each LGA for the 3 days of the assignment (1 HF/day/team)**

- ***During the Monday planning meeting for LGA selection and team composition, please ensure equal distribution of officers from all levels (National, state & Partners) in each LGA***

- Team composition per state
  - NPHCDA-HQ = 6 per state
  - NPHCDA SC = 1
  - NPHCDA ZTO = 2
  - SPHCDA = 5
  - LGA =4
  - Partners = X

→

Team 1 LGA A	Team 2 LGA B	Team 3 LGA C
1. National	1. National	1. National
2. National	2. Nationall	2. National
3. NPHCDA SC	3. ZTO 1	3. ZTO 2
4. State	4. State	4. State
5. LGA	5. State	5. State
6. LGA	6. LGA	6. LGA
7. LGA	7. LGA	7. LGA
8. LGA	8. LGA	8. LGA
9. Partner	9. LGA	9. LGA
10. Partner	10. Partner	10. Partner

Guide on HFs visit in each LGA selected for the iPIE

- 3 days (Tuesday, Wednesday and Thursday) are allocated for field work per LGA
- **Team 1 in LGA A (High performing):**

✓ Day 1 (Tuesday)……. visit HF1, administer iPIE ODK and provide any other support

✓ Day 2 (Wednesday)…… visit HF2, administer iPIE ODK and provide any other support

✓ Day 3 (Thursday)…….. visit HF3, administer iPIE ODK and provide any other support

- **Team 2 in LGA B (Medium performing):**

✓ Day 1 (Tuesday)……. visit HF1, administer iPIE ODK and provide any other support

✓ Day 2 (Wednesday)…… visit HF2, administer iPIE ODK and provide any other support

✓ Day 3 (Thursday)…….. visit HF3, administer iPIE ODK and provide any other support

- **Team 3 in LGA C (Low performing):**

✓ Day 1 (Tuesday)……. Visit HF1, administer iPIE ODK and provide any other support

✓ Day 2 (Wednesday)…… visit HF2, administer iPIE ODK and provide any other support

✓ Day 3 (Thursday)…….. visit HF3, administer iPIE ODK and provide any other support

Total ODK Submissions expected after the iPIE

- National level = 1
- States (12+2) = 14 states
- LGA (3*14) = 42 LGAs
- Health facilities (3*42) = 126 HFs
- Caregivers (5 per HF) = 630 Caregivers captured in 126 forms

Thank you
